3169/L re the election of non-official
MLs to the Gundlupet Town Municipal

From the D.C. Mysore Dist
dd D3 C 4676/46 & 26/10/46
Fds the report as called for

¶ The Gundlupet Town Municipal have resolved to have an elected non-official President to the municipal council

¶ A petition is reported to have been submitted protesting against giving this privilege to the municipal council until certain improvement works such as construction of drains, construction of a enclosed ~~Hospital~~ Hospital and opening of a High school are taken up & completed by the Municipal.

¶ The D.C. now reports that the S.D.O., Nanjangud

who was asked to enquire into
the matter is of opinion that
the objections raised by certain
residents are untenable
in view of the fact that the
drainage scheme of the High
School have already been
started & that, in view of the
short period for the re-constitution
of the Mal Cl - ee with effect
from 1-7-47, the matter may
be kept in abeyance and
the next Mal Cl allowed to consider
the question of giving a non-official

10 The D.C has also no
objection to the grant of this
privilege prayed for by the Panchayat
Town Mal Cl, but the question of granting
the privilege now or later on is left to the discretion
of Govt

Sir,

Subject - Grant of Privilege of electing non-official President to the Town Municipal Council, Gundlupet

I have the honour to forward herewith a report No C 86/45 dated 25th April 1946 received from the President, Town Municipal Council, Gundlupet on the above subject and to state that at a special meeting held on 20-4-1946 the council have resolved that the Municipality be given the privilege of electing their own President (copy of the resolution enclosed)

2) The council consists of 21 members of whom 15 are elected, 3 nominated and 3 ex-officio members and it was reconstituted with effect from 1st July 1944 for a term of 3 years as per Government Notification No L 13011/M L dated 30-6-1944

The Sub Division Officer, Nanjangud Sub Division who had been consulted in the matter has recommended that the Council be given the privilege prayed for

3) But there is a mass representation signed by over 200 residents of the Town assembled on 22-4-1946 protesting against giving the privilege and stressing the need for continuing the present arrangements till the big schemes of public improvements under taken by the council such as the construction of drains

Sir,

Subject - Grant of privilege of electing a non-official President to the Town Municipal Council, Gundalpet

In continuation of this office letter No D3 C 4676 of 46 dated the 26th August 1946 on the above subject, I have the honour to state that it is since reported by the Sub Divisional Officer, Nanjangud, after inquiry, that the objection raised in the mass petition, i e , that the privilege aforesaid should not be confirmed till all the big schemes pending such as Drainage, High School etc , are completed does not stand to reason, that the drainage scheme and the High School have been started already, and has suggested that in view of the brief period before the Council for its reconstitution which is due to take place in the matter half of the next year, it would be desirable to keep the matter in abeyance and allow the Council to reconsider it after reconstitution, before the question can be taken up finally

I agree with the Sub Divisional Officer As intimated in my letter No D3 C 4676/46 dated the 4th June 1946, the Council having been reconstituted for a term of 3 years with effect from 1st July 1944, elections will have to be held early in the month of June 1947, for reconstitution of the Council If, however, Government consider the interval to be sufficient, though brief, for conceding the principle, I have no objection to the resolution of the Council for conferring the privilege

D in, considered favourably as recommended by the Sub Division Officer, already (vide letter No D3 3676/ 6 dated the 4th June 1946 referred to supra)

Sir,

Sub Non-Official President to Gundlupet Town Municipal Council

Adverting to your letter No L 8989 dated 23rd December 46 on the above subject, I have the honour to forward herewith, a report No C 86 dated 28/30th September 1947 received from the President, Town Municipal Council, Gundlupet and to state that the Municipal Council, have since been reconstituted under Government Notification No L 96/ML 41-46-121 dated 2nd July 1947 with effect from 1st July 1947 The reconstituted council at their meeting held on 27-9-47 have reiterated the Resolution passed by the old council in 1946 before it was reconstituted that the privilege of electing their own president be conferred upon them as resolved already copy of resolution passed in this behalf is enclosed

As regards the state of arrears and the financial position etc a statement showing the income and expenditure for 46-47 together with a copy of the D C B for 46-47 is enclosed The total receipts under all heads during 46-47 were Rs 42,625/- with an opening balance of Rs 47,806/- at the beginning of the year The total expenditure was Rs 62,160/- and the closing balance at the end of the year was Rs 28,281/- The total demand for 46-47 was Rs 44,460/- out of which a sum of Rs 42,716/- was collected leaving a balance of Rs 1,711/- outstanding at the end of the year This expenditure excludes a sum of Rs ~~122~~ 14/- remitted during the year

P T O

The amount collected works up to 96 per cent of the total demand and therefore the collection may be said to be very satisfactory The financial position is also good as I found it the time of my inspection on 16-6-47

The councillors have been agitating for the grant of the above said privilages from a long time and Government have also been pleased to express in their letter above referred to that they have decided to give the privilege after the council is reconstituted Now reconstitution has been effected, I am of opinion that the Municipal Council may be given the previlege of electing their own non-official president and I request that you will be so good as to obtain necessary orders of Government in the matter
